

Vitalfarco

Since 1969 VITALFARCO rely its research and production on professionalism: they really care when developing new products, but also focus on the production exclusively addressed to hair-stylists. With great enthusiasm they promote vanguard products and they have crossed home borders receiving confirmation of their competences in the cosmetic field all around the world.

Today innovation and quality are more than ever a guarantee of success. VITALFARCO has always supported this philosophy, thus foretelling market needs and investing in the study of high-technological products to provide hairdressers with means capable of underlining their professionalism, thanks to the state-of-the-art technology of the production system.

VITA 17 22 OXICREME CREAMY PEROXIDE

Highly stabilized oxidizing emulsion. It allows to prepare homogeneous mixtures with any kind of colouring or bleaching product and grants the best final results. Perfumed formula enriched with conditioning ingredients which treat and protect the scalp and the hair fibre.

Available in 20 volumes (6%), 30 volumes (9%) and 40 volumes (12%).

Packed in a 250 ml bottle.

VITA 17 23 OXICREME CREAMY PEROXIDE

Highly stabilized oxidizing emulsion. It allows to prepare homogeneous mixtures with any kind of colouring or bleaching product and grants the best final results. Perfumed formula enriched with conditioning ingredients which treat and protect the scalp and the hair fibre.

Available in 20 volumes (6%), 30 volumes (9%) and 40 volumes (12%).

Packed in a 150 ml bottle.

VITA 01 08 PLACENTA KERAZULENE

Treating lotion enriched with placenta extract, which contains nucleotides, amino acids, vitamins and mucopolysaccharides. It helps preventing hair loss and develops an immediate revitalizing and strengthening action. It normalizes sebum production and helps fighting dandruff. It is also recommended as a tonic lotion for bleached hair.

DIRECTIONS: apply, massage very well and leave in.

Packed in a box containing 12 x 10 ml ampoules.

EMB 50 77 VITALREPAIR COMPLEX

Cosmetic treatment formulated to eliminate split ends and restore the natural porosity of weak, dry and treated hair. It wraps the hair with a thin protective film that instantly repairs the cuticle, imparting a pleasant silk-like sensation and natural shine. It protects effectively the hair against harmful effects of UV rays and external aggressions, helping preserve your hair colour. It can be used both on dry and wet hair since it gives an immediate result. It makes the hair neither greasy nor weighed down.

Packed in a 50 ml bottle, 12 bottles include a point of sale display.
